FAILf a re

Yesterday's failures are today's seeds
That must be diligently planted to be able to abundantly harvest
Tomorrow's success.

Ever tried to publish a paper on failure and... failed?

Come discuss 'unpublishable' failures, lessons learned on
the way to success, and the nature of failure in ICTD.

Format will include five presentations on case studies of failure,
followed by Q&A and an open discussion on how the ICTD community
can more effectively learn from failure.

Featuring:

Richard Anderson,
University of Washington, Seattle
Anahi Ayala Iacucci, Internews
Linda Raftree, Plan International
Revi Sterling, ATLAS Institute
