Session 1: 9-10:15 Questions for the Panel

9-9:15 Welcome & short introduction to the Capability Approach

9:15 – 9:40 – each panelist making short point about
1) Why is the CA useful for ICT4D?
2) Challenges to operationalisation of the CA

9:40 – 10:15 Panel – audience interaction

“Skeptical scholar” and “skeptical practitioner” will raise questions to the panel using post-its ideas collected from the audience on the doubts, challenges and ideas on the CA

**Panel members:**

Geoff Walsham, Cambridge, UK
Ineke Buskens, Research for the Future, South Africa
Bjoern-Soren Gigler, World Bank, US

Margaret Nyambura Ndung’u, University of Nairobi, Kenya
Dorothea Kleine, RHUL, UK
Yingqin Zheng, RHUL, UK

10:15-10:45 Coffee Break

Session 2: 10:45-12:00
Discussions in break-out groups formed around selected themes emerging from session 1 and presentation on flipcharts.
